Timely Application for Recertification .61 (d) Any household receiving a notice of action informing them of the expiration of their certification period shall attend any interview scheduled by the CWD on or after the date the application is timely filed in order to retain their right to uninterrupted benefits. Denial Actions .233 When the same application is used to determine the household's ineligibility for the month of application and its eligibility for the subsequent month, a combined or separate notice may be used for the denial and approval actions.

The client attended their recertification timely and was notified of their expiration of certification but would need an additional denial notice informing them of being over the income level.
